NIKON ELEKTROONILISED TEODOLIIDID**Electronic Theodolites NE-100 Series**

Part number
HRA74100

Description
NE-100 Construction Theodolite
with Leveling Base Type W-10,
Carrying Handle, in Plastic Carrying Case
10" / 3,0 mgon angle accuracy, 10/20", 2/5mgon reading

Part number
HRA73100

Description
NE-101 Construction Theodolite
with Leveling Base Type W-10,
Carrying Handle, in Plastic Carrying Case
7" / 2,0 mgon angle accuracy, 5/10", 1/2mgon reading

Electronic Theodolites NE-200 Series

Part number
HRA83131

Description
Electronic Digital Theodolite Model NE-203
Accuracy: 5" / 1,5 mgon
Minimum reading: 5"/10" or 1mgon/2 mgon
(1"/5" or 0,5/1 mgon available as option on NE-203 only)
Compensator: Vertical axis compensator on NE-203 only
Others: IPX6 waterproof construction
Display and keyboard on both faces
30x magnification

18,10,2004

NIKON ELEKTROONILISED TEODOLIIDID

with Leveling Base Type W-10,
Carrying Handle, in Plastic Carrying Case
With built-in vertical axis compensator

Part number

HRA83130

Description

Electronic Digital Theodolite Model NE-202

with Leveling Base Type W-10,
Carrying Handle, in Plastic Carrying Case
Without built-in vertical axis compensator

18,10,2004

NIKON ELEKTROONILISED TEODOLIIDID**ACCESSORIES FOR THEODOLITES**Part number
HEB01000

Description

Micrometer Scale Illuminator

Used in dim light conditions to read the scale,
for Theodolite Mark III/NTD Series

Part number
HEB010AA

Description

Night Illuminator Set

for Old NT-4D/3A/2A/2D/2E/2S/2C

consisting of : Micrometer scale illuminator

HEB01000 Telescope reticle illuminator

HEB22000 for Old NT-4D/3A/2A/2D/2E/2S/2C

Will be discontinued, Check stock before ordering,

Part number
HED140AA

Description

Diagonal Eyepiece Prism Set

consisting of:

HED14000 Diagonal Eyepiece Prism (Erect)
for main telescope

HED22000 Diagonal Eyepiece Prism
for circle reading

HED30000 Leatherette Case for Diagonal Eyepieces

Used for steep sighting, plumbing and when using
the instrument in confined areas,

Part number
HED22000

Description

Diagonal Eyepiece Prism

for circle reading on Mark III series theodolites

Part number
HED30000

Description

Leatherette Case for Diagonal

Leatherette Case for Diagonal Eyepiece set

Part number
HED14000

Description

Diagonal Eyepiece Prism (erect image)

Used for steep sighting, plumbing and when using
the instrument in confined areas,

For Main Telescope of Theodolite NE-/Mark III Series

Part number
HXA204AC

Description

Zenith Prism Set for Mark III Series

consisting of:

18,10,2004

NIKON ELEKTROONILISED TEODOLIIDID

HXA20446 Zenith Prism for Main Telescope
 HXA20447 Zenith Prism for Circle Reading

Part number
HXA20446

Description
Zenith Prism for telescope only
 Used for steep sighting, plumbing or when the instrument is in an inaccessible location,
 For Theodolite NE-/MK-3 Series

Part number
HEK01000

Description
Low-Power Eyepiece Lens
 20X when attached to Theodolite Mark III Series,
 18X when attached to NE-203/202, NE-10H/10LA/10L,
 16X when attached to NE-20H/20S

Part number
HEK02000

Description
High-Power Eyepiece Lens
 40X when attached to Theodolite Mark III Series,
 36X when attached to NE-203/202, NE-10H/10LA/10L,
 32X when attached to NE-20H/20S

Part number
HEC21001

Description
Tubular Compass
 Used for azimuth measuring (for Mark III Series)
 To be attached directly to Theodolite Mark III Series,

Part number
HXA20473

Description
Tubular Compass Adapter
 To mount HEC21001 Tubular Compass onto
 NE-203/202/10H/10LA/10L/NE-20H/20S Carrying Handle,

Part number
HHG42400

Description
#N/A
 for mount EDM ND-20F/21F/26 onto
 Theodolite Mark III Series,

Part number
HXA20305

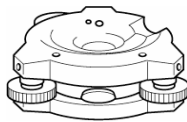

Description
Yoke Mount Adapter for NE-Series
 to mount EDM ND-20F/21F/26 onto
 Theodolite NE-Series

Part number
HXA204AA

Description
#N/A
 consisting of:
 HXE20238 Sunnto KB-14/360 R Compass
 HXA20411 Sunnto Compass Adapter
 for Theodolite Mark III/NE-Series

18,10,2004

NIKON ELEKTROONILISED TEODOLIIDIDPart number
HXA20579Description
Solar Filter (52mm)
Adapter is required when used together with
NE-200/NE-10 or Mark III SeriesPart number
HXA20546Description
Telescope Adapter
Required when HXA20579 is to be used with NE-203/202/10H/10LA/
10L/Current Mark III SeriesPart number
HEG200AADescription
#N/A
consisting of:
HXA20316 Solar Reticle for Mark III
a transparent glass with concentric circles,
HEG20000 Sun Filter for Theodolite
Transparent glass (solar reticle) with concentric circles
for telescope eyepiece (is used together with sun filter),Part number
HEG20000Description
Sun Filter for Theodolite
Colored glass for telescope eyepiece
Used on NE-200, NE-10 and Mark III SeriesPart number
HEK10001Description
Solar Prism
Roelof type, attaching onto objective lens,
for Theodolite NE-203/202/10H/LA/10L/Mark III series, and
for NE-20H/20S by removing the supplied attachment,Part number
HWB10001Description
Leveling Base (Tribrach) Type W-10
with circular level (10'/2mm)
without optical plummet**REPLACEMENT ITEMS**Part number
HEH20000Description
#N/A
for Theodolite Mark IIIPart number
HEH200AADescription
#N/A

18,10,2004

NIKON ELEKTROONILISED TEODOLIIDID

consisting of:

HEH20000 Carrying Handle

HHG42400 Yoke Mount Adapter for Mark III

Part number

HXA20413

Description

Carrying Handle for NE-Series

for Theodolite NE-203/202/10LA/10H/10L/NE-20H/20S

Part number

HXA200AE

Description

Tool Kit for Theodolite

consisting of:

HXA20094 Plastic Tool Case for Theodolite

HXA20315 Adjusting Pin (2 pcs,)

HXA20095 Screwdriver for Theodolite

Part number

HEU23000

Description

Plastic Carrying Case for Mark III

with Shoulder Strap

Part number

HRU40100

Description

Plastic Carrying Case for NE-10LA/10H/10L

with Shoulder Strap

Part number

HRU80000

Description

Plastic Carrying Case for NE-203/202

Part number

HRU60000

Description

Plastic Carrying Case for NE-20S/20H/10I

Part number

HXA20432

Description

Shoulder Strap

for NE-20S/NE-20H/NE-10I Plastic Carrying Case

Part number

HXB20164

Description

Built-in Battery Case for NE-20H/20S/10I
